

SEMESTER AT SEA®

Semester at Sea - Spring 2013 Voyage

Important Passport and Visa Information for your Voyage

Please review all of the enclosed information carefully; it is crucial for this voyage to have your valid passport and all necessary visas. Processing time can take up to 2 months, so it is important to send your materials to Travisa well in advance.

We encourage you to send all visa application materials to Travisa by November 1st, 2012.

Applications submitted after November 1st may require rush processing and additional fees. Please note that there are many holidays in November and December; Consulates may be closed for several days near Thanksgiving, Christmas, New Year's and other national holidays. Applications submitted after December 1st may not be completed in time for the voyage. Applicants who need passport service and Non-US citizens who require additional visas may need more time for processing.

General information about visa requirements:

Passport

In order to obtain the visas needed for your trip, you must send Travisa your original, signed passport valid for 6 months beyond the voyage, with at least one blank visa page for each visa and blank pages for entry and departure stamps. Amendment pages at the back of the passport cannot be used for visas and stamps.

- Make sure your passport is signed. Sign the passport on the signature line on the page facing your photo and information page.
- Check your passport expiration date; the passport must be valid until at least October 25th, 2013.
- Check how many blank visa pages are left in your passport, you should have 10 blank pages.
- Make sure the passport isn't damaged (torn cover, washed or falling apart).
- Make a photocopy to send to Semester at Sea and keep a copy for your records.

(If you need a new passport, need to renew your passport, add new visa pages or replace a lost or damaged passport, Travisa can process this for you as well).

Photos

Visa applications require recent 2 x 2 passport type photographs, in color, front view and with a plain, white background. Make sure to provide enough photos for each visa application (and for your passport if applying for a passport at the same time). Otherwise, you can upload one digital passport photo to the Global Service Order Form when you place your order, and Travisa can print the correct number of identical photos for your applications.

Photo specifications: <http://travisa.com/photos-passport.htm>

Visa Application Forms

Application forms must be completed online then printed and signed. Print more than one copy, but sign each one with your original signature. Follow Travisa's visa instructions carefully and include the original signed forms along with all supporting materials when you send your applications to Travisa.

Non-US Citizens

The information provided is for US citizens. For applicants who are not US citizens, the visa requirements and procedures can vary. Please email Travisa to find out what countries you will need visas for, and whether Travisa can process these visas for you. (See last page for contact information). Travisa will send instructions by email. In order to help you, we need to know your name, citizenship, status in the US and state of residence. Please be sure to tell us in your message what Semester at Sea Voyage you are participating in, and include your itinerary.

Minors (under 18)

There may be special requirements for travelers who are under 18 years of age. Please be sure to carefully read the information for each country.

Jurisdictions

Some Consulates only accept applications from travelers who live within certain states. In some cases, your visas may be processed by different Travisa locations. Travisa's instructions will tell you which Travisa office to send your applications. Also, when you fill out your Global Service Order Form you will see the Travisa locations that can process your visas. Be sure to fill out application forms for the specific processing location shown for each visa, though you can send your passport and all the documents required to the one Travisa office listed on your Global Service Order Form printed summary. Travisa will make sure all the processing is done in the correct locations.

Visas

US citizens need visas for China, Vietnam, Myanmar, India and Ghana. Semester at Sea will arrange for visas upon arrival for Vietnam and Myanmar. Visa applications for China, India and Ghana should be submitted to Travisa for processing.

(Citizens of other countries may need visas to more destinations on this voyage, so be sure to contact Travisa if you are not a US citizen).

Global Service Order Form

This is how you will select the passport and visa processing needed, and make your payment. You can place your order online up to two weeks in advance of Travisa receiving your documents.

You must print the completed form and send it to Travisa with all other supporting documents. If you fill out the forms from the link below or the link on Semester at Sea website, the Semester at Sea code will be automatic. Make sure you use the link provided especially for your voyage.

*Note: when you fill out the Global Service Order Form, you will be asked for your email and date of birth. This will allow you to log in and track your visa status as soon as you have placed the order.

Complete the Global Service Order Form to place your passport order and request all visas, before you begin filling out any applications: <http://travisa.com/sasgrf>
