

Dear Brother or Sister in Christ:

This questionnaire is intended to gather preliminary information regarding your petition for a declaration of nullity. All of the questions are important and must be answered in detail. Before completing the questionnaire, **please read all of the following information.** The following pages explain the questionnaire and the overall process in some detail. Please follow the instructions carefully. Return the completed questionnaire and documents to the Tribunal by postal mail. **Please note that all incidents of child abuse, as required by Archdiocesan policy and Pennsylvania state law, are reported to the appropriate authorities.**

When we have received your completed materials: (1) If all materials are in order, you will receive a telephone call from the Tribunal to schedule the date and place of your hearing; (2) If there are documents missing or incomplete, you will be informed of what is missing and you will need to bring it with you to your hearing.

The following materials MUST accompany the returned questionnaire:

1. **A BAPTISMAL CERTIFICATE ISSUED WITHIN THE LAST SIX MONTHS** for yourself (if you are a Catholic).
2. **A BAPTISMAL CERTIFICATE ISSUED WITHIN THE LAST SIX MONTHS** for your former spouse he/she Catholic). If you do not know where your former spouse was baptized, the Catholic Church where you were married can tell you where the baptism occurred but cannot issue a certificate.
3. **A CHURCH MARRIAGE CERTIFICATE ISSUED IN THE LAST SIX MONTHS** (if the marriage occurred in a Catholic Church or with a dispensation). This is not the same as the Civil License.
4. **A CERTIFIED CIVIL MARRIAGE LICENSE.**
5. **A CERTIFIED DECREE OF CIVIL DIVORCE.**
6. **A RETAINER OF \$50.00.**

If neither party is Catholic none of the first three items is needed.

All documents are returned to you at the hearing.

CONCERNING THE QUESTIONNAIRE:

1. Please answer all questions as completely as possible. A completed questionnaire saves valuable time for the Tribunal and assists us in fully serving you. A detailed answer to QUESTION #54 is very helpful in the interview. That answer also helps the Tribunal determine if your case can be handled by the Short Process, or by the Bishop's Process, given by Pope Francis.

2. Please be sure to complete all of the questions, making certain that you have birth, baptismal, and divorce dates filled in.

3. IT IS ABSOLUTELY NECESSARY TO ATTEMPT TO PROVIDE THE TRIBUNAL WITH AN ADDRESS FOR YOUR FORMER SPOUSE. If you are unable to supply us with one, a detailed written record of the efforts you have made must be submitted and accompany your questionnaire. In order for your petition to be accepted, you must attempt to provide us with a means to contact your former spouse, the Respondent; e.g. the address of his or her parents, children, siblings, or place of employment if you are certain. At times this is impossible but the attempt must be made at least through a means such as a Google or whitepages.com search. You, yourself, will not be involved in the contact which the Tribunal will have with your former spouse.

CONCERNING THE FUNCTIONING OF THE TRIBUNAL:

1. ORDINARY PROCESS AND BISHOP'S PROCESS: Most of the cases requiring a declaration of nullity will be handled according to the normal process which begins with the completion of the initial questionnaire and takes about six to eleven months. Pope Francis also opened up the possibility of a different process. If both the former husband and wife are seeking a Declaration of Nullity and will sign to such, and if both of their testimonies and reasons for the Declaration of Nullity are in agreement, then it is possible to move the case to the Archbishop for a decision. In his estimation, if the case is proven then he can grant a Declaration of Nullity. If he has any questions about the case or it is not proven to his satisfaction, then the case goes back to the normal process that has always been used and is noted above. The Bishop's Process begins in the same way as the normal process but takes about four months to complete.

2. TIME ELEMENT: Each case is unique. The time required for a given case is governed by the cooperation of the parties, the witnesses, and the number of cases ahead of yours. An Affirmative Decision cannot be guaranteed.

3. PROOF OF THE GROUNDS: The Tribunal will need proof of your testimony for the grounds for a Declaration of Nullity. In order to obtain this proof, witnesses will need to participate. Usually, witnesses will be relatives, friends, or persons who have been associated with you at least from the beginning of the marriage in question and who are in a position to give pertinent information in writing.

4. TRIBUNAL CONSULTANTS: In many cases, a final decision cannot be reached without the assistance of a psychologist or psychiatrist associated with the Tribunal. Their opinion is usually needed by the Tribunal toward the end of the process. You will be contacted if this meeting is necessary.

5. RIGHT TO APPEAL: The right to appeal is always safeguarded. If someone is opposed to a declaration of nullity, one can always appeal an affirmative decision. If a declaration of nullity is not granted, that decision can always be appealed.

6. COURT RETAINER: There are fees involved in carrying out the entire process. A

Retainer of \$50.00 must be sent to the Tribunal when you return your completed Initial Questionnaire. If your case is accepted for further investigation, a check for \$150.00, payable to the Tribunal, is needed at the time of your Initial Interview. This will be considered the second payment toward the costs in Philadelphia of \$800.00. The remaining balance can be paid in installment amounts convenient to you.

7. CONTACT WITH THE TRIBUNAL: In order to protect your privacy and uphold procedures:

No telephone calls (or email) will be accepted requesting any information on the status of any case. All requests for information must be **in writing** and sent to the Presiding Judge in your case.

No information will be given to third parties (second spouses, fiancée, parents, etc.). Only the Petitioner or Respondent can seek information on a case and must do so **in writing**.

If you have any questions about the annulment process or the questionnaire, please call the Tribunal at 215-587-3750.
